

Linkages to Learning- Academic Mentoring Program

<p>Brief Program Description</p>	<p>The Linkages to Learning Academic mentoring program offers supplemental support to students who are having difficulties in the areas of Math, Reading, and/or English. In addition, students will receive social/emotional support from their academic mentors with check-ins and enriching activities set to build character and confidence.</p>
<p>Role Description</p>	<p>As an academic mentor, the volunteer will be assigned two students between grades K-5 to assist them with incomplete classroom assignments or plan fun and creative activities based on subject areas needing improvement. Mentor will also provide guidance, advice, and support to mentee. Linkages to Learning Community School Coordinator will work collaboratively with mentors to ensure student's needs are met.</p>
<p>Program Time, Location, and Duration</p>	<p style="text-align: center;"> Linkages to Learning Office Maryvale Elementary School 1010 1st St. Rockville, MD 20850 Monday and Wednesday, 4:00 pm-5:00 pm 10-week rotation </p>
