

Underneath their masks are the smiles of Good Neighbors!

Be a Good Neighbor! On September 28th National Good Neighbor Day, sign up to join your local VillageRides participating community and neighborhood volunteer organization.

Volunteering to drive and helping seniors and adults with disabilities in your community who need to get to medical appointments or essential errands is a rewarding experience! When seniors are no longer able to drive, it can be very isolating.

The volunteers like these from communities in Montgomery County and Prince George's County gave more than 1680 free rides in the first 6 months of 2022 to 250 seniors in their neighborhoods, donating 1100 hours to serve their neighbors and make new friends!

***So be a Good Neighbor!
Volunteer to drive a senior in your neighborhood.
